

Figure 1 consists of 12 bar charts arranged in a 6x2 grid. Each chart shows the percentage of the total sample for a specific category across seven years: 1980, 1985, 1990, 1995, 2000, 2005, and 2010. The categories are: 1. Total sample, 2. Male, 3. Female, 4. Age 18-24, 5. Age 25-34, 6. Age 35-44, 7. Age 45-54, 8. Age 55-64, 9. Age 65-74, 10. Age 75+, 11. Education level, and 12. Income level. The charts show a general trend of increasing percentages for most categories over time, with some fluctuations in the later years.
